www.adasmckinley.org

Geographic Area

Entire south side of Chicago, but we also have few clients on west side

Service Facilitation provided for adults only.

Our interventions unit services children and adults with dual diagnosis of mental illness and developmental disabilities. We also serve children and young adults who have mental illness or severe behaviors.

Service Facilitator

Patricia Abderholden
2454 W 71st St
Chicago, IL 60629
773-884-5458

The mission of the Family Support Network is to unify individuals with disabilities and their families to advocate for funding, services, and community resources that strengthen and support the individual and the family directly by responding to their individual needs and empowering them to live in their own homes. The Family Support Network further seeks to ensure the continuation of all individual supports throughout the life span of the individual.
